FYI: I spoke w/ PineView's administrative assistance (Melinda) this morning regarding the appropriate addresses on the impending demand letter. She indicated that Ray May's brother, Leon, should also be addressed as he is handling most of the day-to-day business for the company. Ray May, according to Melinda, has  b6 e and is therefore not too involved with the business as of late. Melinda also stated that we should copy Ernie Crowley on the letter as he is the project manager for the PineView Estates project. The demand letter, now in signature loop, has been amended to reflect Melinda's suggestions.

I was in an ORC retreat all day today but will be in tomorrow to assist in getting this letter out (I have a small business act info sheet and the certified mail material).

Okay. Why don't you and Rich reach closure on potential ccs so I can add them too, if needed, before it goes to AS. Also, if she signs today, who has the certified mail paperwork? Thanks.
